UIL
Dark Summoner
V
Summoner of shadows, darkness and black holes.

ABSOLUTE POWER OVER DARKNESS

He contributes to the battle by using shadows and darkness to encroach on or manipulate the enemy. He has a strong power that can summon small black holes that trap the enemy between dimensions. The potential of his ability cannot be estimated, so he can become a powerful weapon during battle, but the dual-nature of darkness sometimes becomes a double-edged sword to the team members and puts them in danger.

UNKNOWN OUTSIDER

He grew up in isolation, and as a result, a sense of distrust and blame towards society are deeply rooted in him. He has always vaguely known that since he was a child, he was different from other people. As he grew up, he was treated as a monster due to his special ability, and to avoid getting other people involved, he sticks to his life as a loner.

UNCONTROLLABLE RUGBY BALL

He has isolated himself, but he has confidence about his special ability that the others fear. Due to his one-man play in terms of communication and battle style, he frequently clashes with his teammates. His power can occasionally become uocontrollable and explode, putting everyone in great danger.
